

15 November 2018

Dear Parents/Carers

Sixth Form Information Evening – Thursday 22 November 2018

You are warmly invited to the Hayesbrook School Sixth form Information Evening on Thursday 22 November between 6.00 – 7.30pm for Year 11 students and their families.

Join us at the event to find out more about two of our exciting announcements - our planned collaboration with nearby Hillview School which will mean students can enjoy the additional flexibility to study courses at both schools and also our plans for the introduction of our Football Academy in partnership with Chelsea Football Club. The Academy would offer professional coaching, regular fixtures and the broad and exciting opportunities that naturally develop from training, learning and developing with a prestigious organisation. The new offer in 2019 will make Hayesbrook even more of a competitive and enriching experience. In addition to our confirmed range of sixth form courses we will be taking expressions of interest for these exciting ventures before formalising the curriculum offer for September.

Our Sixth Form provides a structured and supportive environment where students flourish and develop the skills needed to be successful in their future endeavours – the university or career of their choice. Hayesbrook Sixth Form is an exciting and vibrant place to study and we offer a selection of A Level and Vocational courses. We are proud of the achievements of our sixth form students and especially proud of their consistent achievements which are regularly well above the national average, giving them the currency they need for successful futures.

The event is a fantastic opportunity to meet members of the Senior Leadership Team, subject teachers and to speak to current Sixth Form students to learn more about not only the courses on offer but also student leadership opportunities, work related learning and our extra-curricular offer as well as how day to day life in the Sixth Form differs from Year 11.

During the evening there will be a presentation from our Head of Sixth Form, who will share our Sixth Form vision, the academic curriculum offer, the application process and an overview of our extra-curricular opportunities. You will also have the opportunity to hear from some of our current Sixth Form students and they will be keen to tell you about the many opportunities available to them within and beyond their academic studies.

Our aim is to ensure that all students have the currency and cultural capital to make the right choices leading to future successful applications to universities, prestigious employment and apprenticeship pathways beyond the Sixth Form.

The Information Evening starts at 6.00pm with our main presentation in the hall followed by time to speak to the students and staff about the courses on offer.
