Dear Parents/Carers

Show My Homework

From the beginning of next term we will be introducing Show My Homework for all students. This is an on-line platform that brings all the homework set in to one central place, thus providing a much simpler system for students to manage their homework.

During the first week of term all students will be given their login details and shown how to access and use this new system. Parents will also be able to log on and see what homework has been set and help students manage their work and log in details will be provided to families during the first week of term as well.

To provide additional support to parents/carers and demonstrate how it works, we are holding a Show My Homework Information Evening on Thursday 10 January, 6.30 – 7.00pm, in the Sixth Form Centre.

In order that we can ensure efficient organisation for this evening, please confirm your attendance using the online booking system on the academy website using the link here: <https://www.highwealdacademy.kent.sch.uk/showmyhomeworkevening>.

We hope to see you at this event, however, if you are unable to attend we will provide documented guidance for your assistance.

Yours faithfully

Mr Sebastian St John
Assistant Principal
