

21 December 2018

Dear Parents and Carers

Raising Boys Achievement – Information Evening

We are pleased to extend an invitation to families of The High weald community to a parent event at The Hayesbrook School. Gary Wilson will be visiting the academy and hosting a parents' session on Wednesday 16 January 2019, 6.00 – 7.00pm.

Gary is one of the country's leading authorities on raising boys' achievement and is a freelance consultant and author of several books including "Raising Boys' Achievement" and, for parents, "How to Help Your Boy Succeed".

Although primarily focussing on maximising the progress of boys the session will focus on how and why national and international trends indicate that girls can often perform in a stronger way than boys and so we hope there will be something for all families to take away.

In this session he will share with us how we, as parents and teaching professionals, can best support and maximize boys' achievement and progress by understanding how they learn best.

In order that we can ensure efficient organisation for this evening, please confirm your attendance using the online booking system on the academy website here:
<https://www.hayesbrook.kent.sch.uk/garywilson>.

We hope to see you see you at this event.

Yours faithfully

Daniel Hatley
Executive Principal
