

The High Weald Academy

A Brook Learning Trust Academy

28 January 2019

Dear Parents/Carers

We have a really exciting opportunity to be able to work as a school with a youth team from an organisation called Salus. This project will start from Monday 25 February 2019. They will be running a lunch time club every Wednesday to which all students are invited to attend. We will also be working with them very closely to deliver some PSHCE sessions to support students with an array of themes such as self-esteem and resilience.

Please find attached a letter from Salus and the permission slip. In order for Salus to be able to work with our students we need to seek permission from you that you are happy for them to work with your daughter/son. Please can you complete the permission form from Salus and return to us by Monday 4 February 2019. Without this permission your daughter/son will not be able to take part in the activities we have planned.

Thanking you in advance for your support with this project and I look forward to sharing with you further information about the project as they become more involved with the life of the Academy.

Yours sincerely

Lisa Barker
Head of School
