Dear parents/guardians

Teenage Safety Awareness

The designated safeguarding leads in the schools in Tonbridge, Tunbridge Wells and Sevenoaks work very closely together and with partner agencies. We are therefore pleased to invite parents of all local schools from years 7-9 to an event called Teenage Safety Awareness in your community.

This event will be run by Kent Police and will focus on some of the dangers that young people face growing up in this area and how we can help to keep them safe.

Two events will be hosted in this area; one by Mascalls School on 12th February and by The Judd School on 28th February. The events will start at 6.00pm and will last for an hour. Please click on the following links to secure your place.

Yours sincerely
