

28 February 2019

Dear Parent/Carer

Year 11 Maths and French PPE

As part of the preparation for the Summer examinations your son/daughter will have a second PPE examination in Maths and in French if they study it as an option subject. These PPE's will take place during the week beginning 18 March 2019. Please find attached the timetable for these PPE's. English will also have a PPE later in Term 4 and further details will be sent in due course.

I would like this opportunity to remind you of the importance of using the GAP Analysis sheets, Personal Learning Checklists, Knowledge Organisers and Examination Questions that have been given to your son/daughter on the USB sticks and in the white folders they were provided with on the STAR Day. These tools will help your son/daughter to carry out effective revision and help prepare them fully for the examinations.

Thank you for your continued support.

Yours sincerely

Mrs Lisa Barker
Head of School
