

# The High Weald Academy

A Brook Learning Trust Academy

7 November 2019

Dear Families

We are delighted to welcome students back to the academy today. The move into the new academy building has been much awaited and we're all extremely happy to be settling in to our amazing new learning environment.

It's inevitable that there will be some change to routines and practises as a result of the move so there may be communications with families over the coming days and weeks as we settle in and refine ways of operating.

With regard to dropping off and picking up students before and after school we ask families to continue as before and access the car park by the Sixth Form Centre. Please do not drop off and/or collect your son/daughter from the new academy car park as there is insufficient space.

If you are dropping off your son/daughter during the academy day or visiting the academy for another purpose you may park in the new car park and enter the academy via the main reception. Please be aware that there are limited visitor spaces so in the event that the car park is full you will need to park in the Sixth Form car park and access the Main Building via Angley Road. Students have been briefed on how to access the academy each day, via the farm/PE block. Parents are not permitted to use the student entrance and must always come to reception via Angley Road.

Please note there are disabled spaces for use as needed.

Should you have any questions regarding the contents of this letter please contact the academy office on 01580 712754 or email [enq@highwealdacademy.kent.sch.uk](mailto:enq@highwealdacademy.kent.sch.uk).

Yours sincerely

Mrs Barker  
Head of School
