Dear Parents/Carers

Chelsea FC Foundation Programme

On Monday 25 November (5-7pm) students in Year 11 are invited to attend an open session for the Chelsea FC Foundation programme at the Hayesbrook School, Tonbridge. Full information about the opportunity for students in Year 12 from September 2020 can be located here <https://www.hayesbrook.kent.sch.uk/chelseafc>.

What is the Chelsea programme?

Chelsea FC Foundation invites Kent's most talented football players, both male and female, with the opportunity to be a part of a full-time football programme, whilst studying for their chosen profession at The Hayesbrook School Sixth Form.

The football element, which is run by Chelsea FC Foundation, is a performance-based programme that aims to develop students wanting to take the next step in their football career.

So if football is your passion and you're willing to put in the work and you want to make a career of it, the Chelsea FC Foundation Programme offers a unique opportunity for you to combine your academic studies and train like a pro with UEFA certified coaches.

What is the course outline?

- A full time programme (two years) of football and education for students to start in September 2020
- 9 hours per week of structured coaching from UEFA Licenced Coaches from Chelsea FC Foundation
- Access to training facilities, including a 'state of the art' third generation all weather pitch and gym
- Regular mentoring on academic and football progress
- Full time academic study alongside 3 A levels or vocational equivalent
- Opportunity to gain extra coaching and fitness instructor qualifications
- Represent the school in midweek league fixtures in the Kent North Division 1
- Compete in the Chelsea Under 19 Cup competition.

We look forward to meeting your son/daughter on Monday evening at the first of our three trials.

Yours sincerely
The School Office
