Dear Parents/Carers

Lateness to Lessons

Last term there were a minority of students who were persistently late to lessons. Attendance and punctuality are really important and help ensure that students can achieve the best GCSE outcomes for them. In order to try and deter students from being late to lessons we will be issuing 30 minute after school detentions to students who arrive to lessons late. These detentions will be set appropriately and will take into account if there is a legitimate reason for a student arriving late. This preventative measure will not affect the vast majority of our students but will ensure that we are able to deliver the highest quality of education to help improve the life chances of our students. Should your son/daughter require an after school detention for lateness to lessons you will receive a telephone call from a member of the pastoral team who will confirm the date and time of the detention.

Thanking you in advance for your co-operation and support with this matter.

Yours sincerely

Lisa Barker
Head of School
