

# The High Weald Academy

A Brook Learning Trust Academy

29 August 2020

Dear Families,

In preparation for your child's return to The High Weald Academy next week, please find below a link of a walkthrough of the school site to familiarise themselves with the areas they will now be taught within, and further information and guidance on the changes they will expect to see on their return to school. We look forward to welcoming them back next week.
