Principal: Mr Nigel Jones

Dear Parent/Carer,

We have been advised that the number of Covid cases are rapidly rising in our area and as a result it is important that all students test twice a week ideally Sunday and Wednesdays. Lateral flow tests are vital in identifying those who are not presenting any symptoms. However if symptoms are present, then your child must self isolate and take a PCR test which can be ordered via the NHS website.

You do not need to report your lateral flow results to the school unless they are positive as this will need to be logged for attendances purposes.

Should your child need any further test kits, please ask them to collect a kit from Reception.

Thank you for your cooperation
